so she can add your name.

**PS-**Please also remember that you must present your credit card or pay by cash in the restaurant. There is no longer a member charge system.

**Youth Program Plans are Well Underway**

By the time this reaches your mail box, we hope the waterfront has opened, we'll have a Junior Roast under our belt and the Sailing Program will have started. Next up, the Fourth of July and the Recreation Program. And hopefully the weather has warmed up as well as the water temperature (probably very wishful thinking on my part!). More details will follow in This Week on the Point emails.

We are striving to open the waterfront on Wednesday, June 24 to coincide with our first Junior Roast, the end of school, and the beginning of summer. Sailing program starts on Monday, June 29 and continues through Friday, August 28. Recreation program begins Monday, July 6 and runs for 6 weeks through August 14. Information on both programs is available at the Club website <http://www.ithacayc.org/>, <http://www.ithacayc.org/pages/youth.html>. We are looking forward to another fun filled summer on the shores of Lake Cayuga at IYC.

Many youth activities offer opportunities for parents to volunteer their time to share fun times with their children and meet other families. Events such as Junior Roasts, Pirates Night, and our annual Halloween Party are great fun. We are looking for volunteers to head up these and other events. Many thanks to the families who have made these events happen for years. It is time for some new energies and ideas. Please consider offering your time. If you are interested or if you have questions, email Judy Singer at [jls10@cornell.edu](mailto:jls10@cornell.edu).

**Junior Roasts** are held every Wednesday in July and August. Volunteer "parent chefs" cook hot dogs, hamburgers, and cheeseburgers provided at a nominal cost including beverage. Vegetarian option is also available. The hot dogs and burgers are supplemented by dish-to-pass contributions from parents (fruit, veggies, desserts, salads, chips, mac n' cheese, favorite family recipes). The children love it! Food line opens at 6:00pm. As the Roast is usually followed by games or activities organized by the Waterfront, Sailing and Recreation staff it is also a time for parents to have a break. Dine on the deck or in the clubhouse, enjoy a drink, or just relax by the lake. "Parent chefs" volunteer to take a shift cooking and being cashier. It's a fun way to get to know other members and their children. Please consider giving it a go!

We look forward to catching up with those we know and making new friends with those we've yet to meet!! See you at IYC.

Judy Singer and Charley Williamson
