

IYC YOUTH SAILING PROGRAM INFORMATION

Weekly Sessions from Monday June 26 to Friday August 18, 2023

- Sailing and Racing programs are held Monday to Friday each week for youth ages 8-17.
- All sailors must complete a minimum swimming requirement of 50 yards. The swim test can be completed either ahead of time, by one of the lifeguards on duty, or on Monday morning at the beginning of a new weekly session. Sailors who have previously completed the swim test do not need to do it again.
- Programming will be held from 8:30 am to 4:30 pm with a 1-hour break for lunch. Parents may drop off after 8:30am and sailors must be picked up by 4:30pm.
- Parents/Guardians of children under the age of 13 are required to sign their children in and out when dropping them off in the morning and picking them up in the afternoon. Please allow time in your schedule for this process. For safety reasons, it is necessary for the sailing staff to know when children are on site, and where they are at all times.
- The children will learn beginning, intermediate, and advanced techniques in Optimist (dinghies), and 420s. The Racing group will participate in inter-club competition (where they travel with volunteer parents and instructors to other yacht clubs for racing). We have separate Opti and 420 racing teams. Regattas and special events will occur throughout the season. Sailors may progress to a more advanced level upon recommendation of the instructors.
- Sailing Program enrollment is limited and is on a first-come-first-served basis. Your sailor's place will be reserved upon payment.
- **Fees for Sailing or Racing programs are \$360 per week (members) and \$425 per week (non-members) for 1-week sessions, and are non-refundable. Should the program be canceled by IYC, refunds will be made to all prepaid registrants. This may be necessary due to staff shortages.**

Enrollment Procedure

- Member's annual **dues must be paid in full** to register for the summer programs as a member.
- **Vaccination records** must be on file **BEFORE** a child can participate in any program! Please understand that this requirement comes from the County Health Department and is **mandatory. - A **registration form** must be completed for **each** child. This form is an on-going record of each child's participation in the program. As such, the Club would like to know in advance in which session(s) each child is likely to enroll.
- Enrollment and fees (non-refundable) are based on full sessions. **Partial-week enrollments will not be accepted**, although a child may choose not to attend all days.
